Capital Improvement Plan (CIP) Community Forum Input Saturday, February 9, 2013; 9:00AM Kecoughtan High School

Attendance: 33 (Not including City Staff)

What are the most important areas or projects to focus on in the next 7 years to ensure Hampton's continued success?

MASTER PLANS

No comments

OTHER ECONOMIC DEVELOPMENT

- Phoebus potential long term
- Buckroe -mixed use community
 - o Bringing in retail
 - Waterways capacity
- Ft. Monroe, Buckroe connection *(Huge Card)*
 - o Bike Paths
 - Develop Waterfront up the coast
- Salt Ponds refer to Waterways
- Unique
 - o Block Parties Downtown
 - Young Professionals enhance political (reputation), lack of credibility, perception of overall city
 - Public Safety Image
 - o Perception (Public) of Schools Tell the story (positive)

WATERWAYS

- Salt Ponds Waterway ✓
- Long term fix to Salt Ponds entrance ✓✓✓✓✓✓✓✓✓✓✓✓✓✓
- Build Jetty (South Side) ✓✓✓✓✓✓✓✓
- Wooden Jetties Buckroe Beach (Maint/Removal) ✓
- Remove garbage and pollutants from north section of Brights Creek and dredge
- Curb and gutter improvements related to EPA consent order
- Those improvements benefit All citizens of Hampton Roads
- Please consider assessing special taxes on the Salt Pond real estate owners to pay for the dredging that they desire and that will benefit a <u>small</u> portion of the community = Fairness concerns

STREETS & INFRASTRUCTURE

- Rebuild Pembroke Avenue from King Street to Mercury Blvd. Pembroke is one of the few Hampton River crossings. This section is in poor condition.
- Placing utilities underground (Mallory/1st St.) Buckroe/North Hampton
- Road from Ft. Monroe to Buckroe

NEW PUBLIC FACILITIES

- Indoor 50 Meter Swimming Pool (new facility) ✓✓✓
- Pool with diving
 - 1. SEVA
 - 2. HCS
 - 3. Gosnold's Hope Park
 - 4. Fox Hill Assoc.

NEIGHBORHOOD SUPPORT

• Phoebus/Ft. Monroe – improve storefronts and support housing development

PUBLIC SAFETY

No comments
